### Sid Lethbridge testimonial:

*I love music and teaching. Stretto gave me a wonderful opportunity to share this love. My students had a lot of fun, learning about musical concepts, singing songs and even making up our own songs. I liked the freedom I had to do lots of different things. Stretto was very encouraging and supportive with all my ideas as a music teacher. Thank you Stretto for your help and support and the opportunity to teach in a number of different schools, with varying demographics, across London.*

If you have the above skillset and you are looking for a regular teaching position of at least one day per week, then we'd like to hear from you.

Please email a copy of your CV and tell us a bit about you.

We want to hear about your strengths and experiences and tell us how that connects with our creative vision at Stretto Music.

Once we have received your CV we will schedule a Zoom meeting with you, so that you can learn more about what we do and see if you'd like to join our team.

The vision of Stretto Music is to bring live, interactive Music to all children. We believe that Music is about 'doing'.
